

# User:Charles Jeffrey Danoff/Collaborative Lesson Planning Spring 2010 Notes

---

*Many of the ideas I had about Collaborative Lesson Planning I thought were original may have been for me, but not for humans. I'd like to find those things and build upon them.*

I hope to teach Collaborative Lesson Planning again in the next round of P2PU courses in January, 2010. Might also want to take this course: Composing free and open online educational resources 2011 offered at the same time.

## Get ideas from
